Virtual Administrative Support

Emmanuel Moses Abdalla

Business Administration | Accounting & Finance Support | Marketing & Sales Specialist | Open to Full-Time Roles & Freelance Projects | Reacting to Business Growth

Kampala, Central Region, Uganda

Summary

Hi, I'm Emmanuel Moses Abdalla. I am a versatile, results-driven professional specializing in the intersection of Accounting & Finance Support and Strategic Marketing & Sales. Currently pursuing my Diploma in Business Administration at Afru Renewal University, I pair academic knowledge with practical, boots-on-the-ground experience to help organizations optimize their operations and scale their brand presence. What sets me apart is my ability to thrive seamlessly in both structured office environments and fast-paced field operations. I believe that true business growth requires a balance of sharp analytical backend support and confident, customer-facing frontline execution.

Core Expertise & Services I Offer:

- Financial & Accounting Support:** Bookkeeping, daily financial transactions, record keeping, invoicing, petty cash management, and budget monitoring.
- Marketing & Sales Execution:** Practical field marketing, face-to-face customer engagement, brand promotion, competitor analysis, and targeted digital marketing (Social Media, Content Creation, SEO).
- Office & Administrative Support:** Data entry, schedule coordination, correspondence handling, and cross-functional team operations.

My Professional Core Values: I operate on a foundation of discipline, punctuality, and an aggressive willingness to learn. Whether balancing ledger books or executing a field marketing campaign, my goal is always to deliver measurable value and absolute reliability.

Let's Connect & Collaborate! I am actively expanding my professional network and would love to connect with managers, directors, and business owners. Looking for Full-Time Roles in: Accounting Support, Marketing & Sales, or Business Administration. Available for Freelance/Consulting Projects in: Field Marketing campaigns, Bookkeeping setup, or Content Creation.
